1. Welcome to TechCorp

Welcome to TechCorp Inc. — we are thrilled to have you join our team. This handbook serves as your comprehensive guide to understanding our culture, policies, benefits, and the expectations we have for every member of our team. Please read it carefully and keep it as a reference throughout your journey with us.

This handbook applies to all full-time, part-time, and contract employees of TechCorp Inc. It is updated annually and supersedes all previous versions. Last updated: January 2025.

A Note from Our CEO

At TechCorp, we believe that our people are our greatest asset. Every policy in this handbook exists to protect you, support your growth, and create a workplace where everyone can do their best work. We are committed to building a company where diversity is celebrated, innovation is rewarded, and every voice is heard. Welcome to the team.

— *Ananya Krishnan, CEO & Co-Founder*

2. Our Mission, Vision & Values

Mission	To empower organizations through intelligent technology that makes work more human.
Vision	A world where every employee reaches their full potential, supported by AI.
Purpose	Build technology that solves real problems for real people at enterprise scale.

Our Core Values

Innovation First — We challenge the status quo every single day.

Radical Transparency — We communicate openly, honestly, and with clarity.

Customer Obsession — Every decision starts and ends with the customer.

Ownership Mindset — We act like owners, not employees.

Inclusive Excellence — We win together and celebrate every voice.

3. Code of Conduct & Ethics

All TechCorp employees are expected to conduct themselves with the highest standards of integrity, professionalism, and respect. Our Code of Conduct applies in all settings — office, remote, client sites, and company events.

Expected Behaviours

- Treat all colleagues, clients, and partners with dignity and respect
- Maintain confidentiality of proprietary and sensitive company information
- Avoid conflicts of interest and disclose any potential conflicts immediately
- Represent TechCorp professionally in all public and online communications
